CAPACITIES

Six (6) separate pavilions are available for rent, each measuring **11' by 13'**. They are centrally located with easy access to all farm activities and amenities.

The grass areas around each pavilion are available for your use, however, other guests utilizing nearby pavilions may also use the space.

Due to COVID-19, the capacity of each pavilion is **twenty (20)** guests. *Please note that more than one pavilion can be rented by a single party*

AMENITIES

Includes **two (2)** picnic tables with benches. Each table can accommodate approximately 8 adults or 12 children. Additional tables can not be rented at this time.

You will have access to all farm amenities including our rooftop deck, covered playground, shopping areas, yard games, and fire pits. Additional amenities vary by season.

Sunflowers and zinnias are additionally available for picking during the fall and spring seasons. *Please note that not all crops are available all season long, and they are all weather permitting.*

One (1) stand with signage will be provided to indicate your private pavilion. You're welcome to design your own sign. We will print and place it on the stand for you. The dimensions are 8.5" x 11", and the design may be in black/white or color. If you would prefer to use one of our basic designs, please let us know any specific details you'd like included.

FOOD & BEVERAGE

One (1) gallon of our homemade blueberry lemonade is provided, along with cups and ice. Additional gallons of blueberry lemonade can be purchased separately.

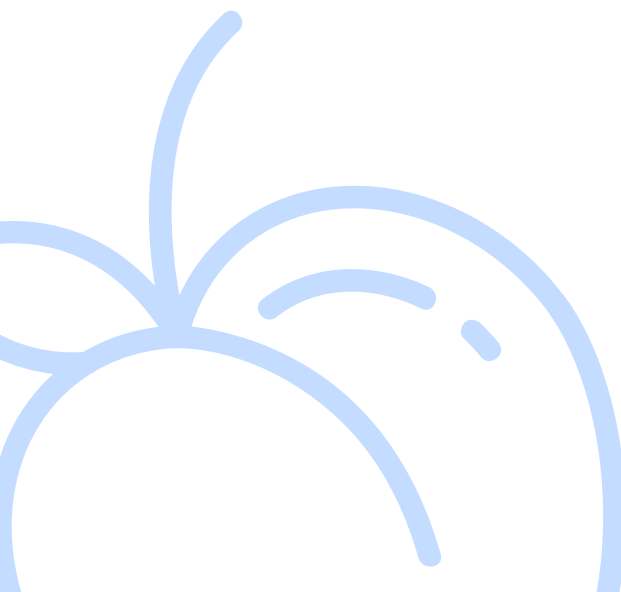

Alcoholic beverages, non-alcoholic beverages, apple cider donuts, and blueberry muffins may be purchased in advance. This gives your guests the opportunity to skip the lines at The Beer Shed and the Southern Hill Farms Bakery! Coolers with ice will be provided to keep your drinks cold during your event.

Outside food (such as cakes, sandwiches, etc.) and non-alcoholic drinks are permitted with the rental of your private pavilion. Please note that delivery catering and outside alcohol is prohibited. We provide refrigeration onsite for any special desserts.

Food and drinks may be purchased on site at Southern Hill Farm's Bakery, Southern Hill Farm's Eatery, The Beer Shed, and from any additional food trucks present. A Private Pavilion rental does not come with discounts to any of these locations.

During our fall season, all guests must pay admission to access the Fall Festival. If a guest arrives without a ticket, they will need to purchase one online as they are not sold on the property. If our tickets are sold out, they unfortunately will not be able to attend your special event due to COVID-19 policies and regulations.

This is an outdoor venue. In the event of severe inclement weather and the farm is closed to the public, your rental will be canceled. This is to ensure the safety of all guests on the farm. In the event the farm is closed, you will receive a full refund.

Southern Hill Farms does not provide decorations, but you're welcome to decorate your reserved pavilion to your liking. However, the use of glue or staples is prohibited. Keep in mind that the farm usually always has a steady and sometimes strong breeze.
